

# PLEASE READ BEFORE USING SVG FILES

- Please note that all downloads and SVG files are for personal use only. Please contact us if you are interested in using these files/ designs for commercial purposes.
- You can scale the files to fit your personal project.

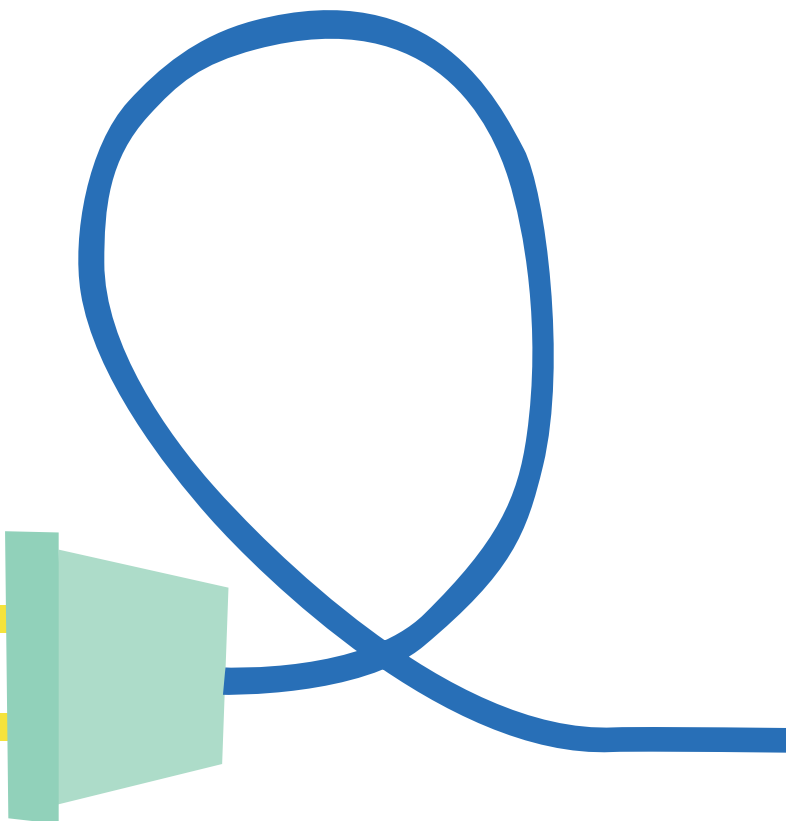

## **THE BREAKFAST CLUB**

**Read more about this project on our blog here.**

**Get your free templates here!**

**Out of stencils or ink?**

**This is where to go ;)**

## **CUTTING MACHINE**

Our templates are compatible with cutting machines like the Silhouette Cameo, Cricut, Brother, etc. I like to test first with a sheet of normal printing paper before I cut with our stencil paper. These settings seem to work well with our stencils.
